"We are honored to be recognized again by FORTUNE[®] and Great Place to Work[®] for providing an exceptional work environment for our team members," said Keith Oden, President of Camden Property Trust.

The companies on this list were selected based entirely upon feedback from more than 137,762 women at Great Place to Work–Certified companies. Women completed an anonymous Trust Index[®] survey, answering questions about how frequently they experience the behaviors that create a great workplace, including, for example, their assessment of how fairly they're treated regardless of gender, the quality and authenticity of communications with managers, and equitable pay and promotion practices. Women's anonymous responses resulted in a total score for each company, which was compared to the benchmark for organizations of that size, and ranked accordingly.
